

Dear Subscriber,

Following are “tent cards” that may be used to promote usage of your Facts On File database subscriptions. Please feel free to place these cards by computer workstations, on library shelves by related history books, or anywhere else that will be helpful to your users.

To create the tent cards, please print out the following sheet, cut it in half, and fold the two resulting cards along the dotted line so that they are tent-shaped.

We hope you find these helpful. Please feel free to contact us with any questions, comments, or requests. We are happy to be of assistance.

Sincerely,

Online Marketing and Customer Relations
